THIS ISSUE OF THE INTERNATIONAL ASSOCIATION OF OROFACIAL MYOLOGY JOURNAL
IS DEDICATED TO THE MEMORY OF:

RICHARD H. BARRETT 1915-1994 AND ANITA BARRETT 1917-1995

Those of us who were privileged enough to know Dick and Anita are truly saddened by the loss of these two very special people. As they were such an integral part of the founding of the Association, it can surely be said that if it were not for the dedication, guidance and love they shared with everyone, the IAOM would probably not have survived the difficult early years. As members we all strive to reflect what the Barretts continuously represented in their lives; integrity, honesty, and the highest degree of professionalism. They selflessly set the path for us and we are all eternally grateful.
